The Time of Man: A Novel

Elizabeth Madox Roberts

The Time of Man: A Novel Elizabeth Madox Roberts
Considered her finest work and an American classic, Roberts's novel traces the coming of age of Ellen Chesser, the daughter of a poor itinerant farmer. Against all privations and the forces that would subdue her, Ellen is sustained by a sense of wonder and by an awareness of her own being. Reduced to the bare elements of life, her world becomes a ceremony of daily duties that bind her to the natural world and her family. *The Time of Man* stands as a beautifully written tribute to the human spirit.
