Training Craig: An Erotic Romance Story (Barbara's Adventures Book 2) Nycole Folk
In Nycole Folk's new series of erotica stories, Transforming Craig, a wife starts a journey of sexual awakening that not only transforms her husband but also herself. From a sexless and almost loveless marriage to heights (and depths) of passion and adventure, the unlikely heroine is guided on her journey by a wise aunt whose marriage has already been transformed. Follow along an erotic journey of discovery for Barbara and Craig.
In Episode Seven, Barbara begins her training of Craig, molding him sexually into a reversal of roles so she becomes dominant in the relationship and he becomes submissive.
Here is a preview:
Well, like you said, I focused on the role reversal part. So, every day, I've used a dildo. Sometimes I use a really, really small one that's really just to stimulate the clit. When I use that one, I tease him about how he needs a bigger cock because girls want to be stretched out. He seemed to really like that kind of teasing. (I never called him a girl—it was saying, "I know you wish it were bigger because you like to be fucked like a girl and this cock isn't big enough to do that.") I use the strap-ons a lot because it really turns me on, too, and I always tease, just like you said.
I think I've done it to him in every conceivable position. I actually bought one of those Pocket Kama Sutra books from the naughty bookstore and at first, I just tied him up and made him look at the pictures. I'd tease him about how nasty he was because he wanted to be in the girl's positions. After a while, I started putting him in the girl's positions while I used the strap-on. We did a lot of the positions, but we couldn't really do the ones that took a lot of physical strength (for obvious reasons.) The only thing we really only did once was oral (I mean with him sucking the dildo.) He didn't seem to like it, so I didn't do it again.
But we did missionary with him getting fucked by me, doggy style variations, a lotus position…hell, he's been fucked like a girl in tons of positions more than me. I'll write some more later, okay.
