Roy Lee Chase needed something to do. Just before he graduated from college, his widowed father passed away, leaving Roy an adult orphan with his family homes, a business with his name on it, and an immaculate 1960 Corvette, but with nothing really for him to sink his teeth into. It's time for a new start, and Roy starts in the first place his boots land him: his father's company. With a goal of making it one of the country's top companies - as well as one of the top places to work - Roy quickly builds a solid team. But what will be next on his to-do list? Perhaps flight lessons and a new motorcycle will propel him to his next adventure. Or will it be Eve - a young woman with raven hair and grey eyes - who will help him figure that out? Either way, you can bet that his folks will be watching from above, making sure he minds his p's and q's. Discovering criminal activity at his own doorstep, and using his problem solving skills to resolve a centuries old mystery are all in this romantic, and exciting tale of the jewels Roy found in his path! Filled with the sights and sounds - and food - of author H. Alden Slate's native North Carolina, Roy's tale is sure to make readers smile as they follow his journey from aimless college kid into the real world of his own hopes and dreams, and encounters with unforgettable characters. A story about following your passions to ultimate success, All the Jewels In Our Path just might put you on the right path to making your dreams a reality as well.
