Lemon-Aid Used Cars and Trucks 2009-2010 (Lemon Aid New and Used Cars and Trucks) Phil Edmonston

Best-sellers for over thirty years, Lemon-Aid guides are unlike any other auto books on the market. Their main objective is to inform and protect consumers in an industry known for its dishonesty, where exaggerated claims remain unchanged. This brand new edition - the first in the series that covers used cars, trucks, *and* SUVs - is packed with insider tips to help you select a used vehicle that is as safe and as cheap as you want.

It covers everything from the latest GM cutbacks, "secret warranties," to average seller markups. Plus, there are tons of useful tips on when you should buy, sell, or hold, and which models make the best $1,000-$3,000 "beaters." Filled with summaries of memos and service bulletins, this book is an easy-read guaranteed to teach you a thing or two (or three, or four …) and more about used vehicles in Canada.
