First ladies are supposed to be dignified background figures, quietly supportive of their husbands' agendas. Above all, they're not supposed to act out or cause even a whiff of scandal. Of course, reality often overrides conventional wisdom, and this book shows how far from the prim ideal many of the Presidents' wives have strayed. Part irreverent portrait gallery, part exuberant expose, *Feisty First Ladies and Other Unforgettable White House Women* introduces a remarkable array of wild women, from Martha Washington, who opposed her own husband's presidential election; to Abraham Lincoln's eccentric wife, Mary; to rebellious daughters like Patti Davis who were the tabloid fodder of their day. Laugh-out-loud funny and filled with amazing stranger-than-fiction facts from our American history, *Feisty First Ladies* journeys into the realm of the eclectic sisterhood whose outrageous words and deeds have rocked the fusty old foundations of the White House — and the nation!
