Learning guitar can be broken down into four stages

1. Learning about:

- How guitars work
- How to choose and buy the best first guitar
- Essential guitar accessories
- Guitar parts
- Ideal mindset for learning guitar and failing to quit!

2. Learning the very basic music theory and how it applies on guitar, and practical aspects of getting started on guitar

- Learning about the note circle
- Guitar tuning and where it comes from
- Names of the open strings
- How to find notes on guitar
- How to read tabs and chord boxes
- How to hold a pick and correct body posture...

3. Learning how to play the basic chords on guitar.

- 3 main types of chords
- Learning the basic Major, Minor and Dominant chords
- How to play more advanced barre chords
- How to build up the necessary finger strength and finger stretching capabilities in order to play all these chords
- How to master the chord changes

4. Developing your rhythm skills

- Understanding the time signature
- Learning how to strum a guitar
- Playing chords with strumming patterns
- Playing with a metronome

This book covers all that and much more!

The book takes you step-by-step in a fun and easy to follow way, from beginning to mastering the basics on guitar and being able to play many songs. You will learn 17 basic chords that will get you started and keep you busy for awhile, and you'll get some of the best exercises to build up your finger strength and work on your finger stretching abilities in order to be able to play guitar chords.

Learning guitar chords obviously isn't enough. If you want to play songs you'll have to learn how to strum them too and keep the rhythm going. That's why the last stage is all about strumming and developing some of your rhythm skills. You will learn about the timing and how to keep the beat. This is the secret to really sounding good on guitar. Having amazing rhythm skills will make a difference from sounding mediocre to sounding like a professional guitar player.

Let's start exploring the beauty of guitar together...
