As a scholar exactly feel bored to reading. If their teacher expected them to go to the library in order to make summary for some book, they are complained. Just tiny students that has reading's heart and soul or real their interest. They just do what the professor want, like asked to the library. They go to there but nothing reading critically. Any students feel that reading is not important, boring and also can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So , this Scientific American magazine Vol 2. No. 3 Oct 10 1846 The Advocate of Industry and Journal of Scientific,Mechanical and Other Improvements can make you truly feel more interested to read.
