The Custom of the Country (Bantam Classics)

Edith Wharton

The Custom of the Country (Bantam Classics) Edith Wharton
First published in 1913, Edith Wharton's **The Custom of the Country** is a scathing novel of ambition featuring one of the most ruthless heroines in literature. Undine Spragg is as unscrupulous as she is magnetically beautiful. Her rise to the top of New York's high society from the nouveau riche provides a provocative commentary on the upwardly mobile and the aspirations that eventually cause their ruin. One of Wharton's most acclaimed works, **The Custom of the Country** is a stunning indictment of materialism and misplaced values that is as powerful today for its astute observations about greed and power as when it was written nearly a century ago.
