Bloom: A Collection of Fabric Flowers Kimberly Christopherson, Kris Thurgood
Featuring 15 patterns for transforming scrap fabric and embellishments into beautiful flowers, this book teaches how to create floral designs to adorn the home, the workspace, or the wardrobe. It contains full-color photographs and step-by-step instructions for sewing a variety of flowers—from lapels to bouquets—in a short amount of time. The patterns make use of fat quarters and other fashionable fabrics, and the colors and materials can be changed to create a completely different looking flower each time. Also included are suggestions on how to decorate with these lovely creations.
