How often do you contemplate the blessings in your life? Were you blessed with love as a child? As an adult? Do you have a roof over your head ... adequate food to eat? Are you blessed with good family and friends? ... with good health? Do you have a job that you enjoy or that helps to pay your bills? Are you blessed with all five senses: sight, smell, sound, taste, touch? These are just a handful of the many contemplative questions to be found in my latest book. Contains over 80 subjects on a wide variety of topics and more than 800 thought-provoking, life-energizing questions. Includes dozens of positive inspirational and Biblical quotes designed to encourage. You may be more blessed than you think! Count Your Blessings is a Christian-based guidebook that aids readers in recognizing and treasuring their blessings. The majority of people are blessed in so many different ways, many of which they’re not aware of! Not only will this book brings those to their attention, but will encourage them to pause a moment to reflect upon and appreciate those gifts. Improve your outlook on life! If you’re one of the Sad Sacks, Doubting Thomas’, Wrong-way Corrigans, or Perils of Pauline who go thru life declaring “Woe is me!” or “Nothing good ever happens to me!” then this book is for you. It will lift your spirits and put a certain sparkle in your day.
