This is a standalone BWWM love story

Tessa DeCarlo is a career woman, and a devoted wife. Her work life is good-fulfilling, even. However, she can't say the same about her marriage. But Tessa loves her husband, and she is determined to make their union work. She overlooks their lackluster sex life, as well as his disinterest in doing 'couple stuff'. It's what she signed on for, after all. For better or worse, right? But, when Tessa is hit with the ultimate betrayal just days before her class reunion, maintaining loyalty inside of a failing marriage is the last thing on her mind.

Despite what she has gone through, and rather than wallow in self-pity, Tessa decides to attend the event. She has no idea what to expect from the evening, its sole purpose is meant to serve as a getaway. But, when she encounters August, a former college classmate, sparks fly. But not for long . . . There will be twists, turns, and added cast members to bring this story to life. Will Tessa return to her marriage and try to make it work? Will she decide on a road untraveled? Or, will she choose to be alone?
