Keeping Covenant with God: Living by the Blood of Jesus Michael Haas
What is *authentic Christianity*?
With so many conflicting doctrines and denominations, each claiming to be truth, how can anyone be sure that they are following God's will?
The solution is to move away from doctrines that use the Bible piecemeal, seizing on some verses while ignoring others. Instead, Christians must view the Bible as a single unified narrative. Once the interconnected nature of Scripture is found, God's plan for humanity becomes crystal clear.
The individual books of the Bible, while having many inspired authors and being written over hundreds of years, all have a common thread that binds them together. This book identifies that thread and shows how to walk in covenant with God.
