Wayne Texeira's life couldn't get any better. He's out of prison. He's rebuilding his relationship with his daughter. He has a new ladylove.

Then, out in the Maui woods, he stumbles across a body. The death is ruled suicide. Days later, he crosses paths with another death. That, too, is ruled suicide.

Is there a pattern to the deaths, or is he seeing a conspiracy where none exists? Texeira reluctantly takes his concerns to the cops. But they won't investigate because – come on – who takes an ex-con seriously?

Convinced there is more to the suicides than mere depression, Texeira starts poking around. What he finds is just too incredible to comprehend.
