Jake spends most of his free time playing video games. The real world bores him. It lacks wonder, and bad things always happen. The virtual world is his sweet escape -- a place where anything is possible.

His life changes when the two worlds start to collide. Suddenly he can control blocks, fly, and summon items. But he's not alone -- there are other "MetaGamers" and they're using their newfound powers for evil. Now Jake must fight to save Arcadia before it's too late.
