Lapbook Journals are designed to bring a more hands on learning aspect to all levels of Apologia science. This product includes 744 pages of helpful and organized tools for improved retention of this challenging topic ~ You choose which pages to use. Journal pages featuring decorative borders and eye pleasing graphics are included for all of the “On Your Own” questions. These are helpful and save time because the student doesn’t have to re-write the questions and the journal pages can be easily organized into 3-ring binders. Study Guide Questions for each module are represented in 2 formats, for the student to decide which to use. He may choose the journaling pages for these questions OR these questions may be completed on colorful booklets which each student can cut out and assemble. The Lab Report pages are partially completed with the list of supplies, complete instructions and procedures, they provide a consistent and orderly means of recording the outcome of each lab studied. We have recently developed Vocabulary Flash Cards to correlate with this book as well, and they are sold separately.
