USA TODAY BESTSELLING AUTHOR

Beth Parker Stone knows what it feels like to be alone. She just didn't expect to feel that way, only three months into her perfect marriage.

Ayden Stone is a man who has everything, except the one thing he needs most—the only woman he has ever loved.

Fearing for her and their unborn twins, he has to send her away, knowing he has the fight of his life on his hands to save himself and, more importantly, his family. He must do things he knows will jeopardize his marriage and bring him close to breaking point, but with his back against the wall, he has no choice. He must do ... whatever it takes.

The French connection deepens, opening old wounds, revealing secrets and emotional scars which Ayden must endure alone. New enemies from their past close in, threatening their relationship and their very existence.

With everything to fight for, they must make a stand to safeguard their lives and their love … or risk losing it all.
