Coming to Know Number: A Mathematics Activity Resource of Elementary Teachers unknown Edition by Reynolds, Anne M., Wheatley, Grayson H. (1999)
Now with Digital File on CD included! This 245-page book is a fresh and effective approach to elementary school mathematics. It features ready to use activity sheets that are research-based and promote lasting number sense. Coming to Know Number emphasizes thinking in tens and mathematical reasoning. Two decades of research with these activities documents the effectiveness of using Problem Centered Learning in helping students develop strong number sense and confidence in themselves as mathematics students. The book now ships with a CD containing digital files of the student pages. These files will be especially useful for teachers using smartboards. Furthmore, it will make copying pages for student use much easier. If you have already purchased the book and want the digital file, it can be purchased separately.
