Simple Rules For Chess Mastery: Tactics And Strategies In Plain English

Jack Diamond

Simple Rules For Chess Mastery: Tactics And Strategies In Plain English Jack Diamond
Chess is a simple game, yet despite its simplicity it also offers endless hours of entertainment.

After playing many games of chess, I have come to realize various things about the game.

This book is not for people who want the basic rules of the game. It assumes you already know how to play, and it explains strategies and tactics that may not be obvious to the beginning chess player (hence the oxymoron: "Advanced Beginner").

If you are an experienced chess player, this guide will be helpful to you as well.

All in all, this book is a basic guide on how to learn to take your chess game to the next level. I hope you enjoy reading it as much as I enjoyed writing it!
