The Ultimate Conspiracy Guide: Ever Get The Feeling You've Been Cheated Mr Gary Brown
Nearly all of us, have at some time, asked ourselves the questions ‘Who am I? What is my purpose in this life? Why am I here?” In this frontier-expanding work, Gary Brown has used his keen insight to examine the truths behind the real history and concepts of mankind, to examine our perceived realities and analyse our almost instinctive need for there to be some point, some purpose to existence. The ‘Guide’ can be seen as a major stepping-stone towards higher consciousness, and higher spiritual teachings. It gives both the novice and experienced researchers of the esoteric an in-depth understanding of the spiritual crisis/awakening, in what many claim, is one of the most crucial periods in spiritual history. In a serious study of ‘alternative’ history, ‘alternative’ science, religion, philosophy, our warped nutrition ethos and the occult/paranormal, Brown shows that covert groups amongst the elite of this world (what he terms Black Magicians) use a range of tactics, most notably corrupted symbolism, to perform an almost mass-hypnosis on the public, in order to exercise a high degree of control on almost every facet of our lives, to such effect that the reader cannot help but resonate to the mantra of this work… ’ever get the feeling you’ve been cheated?’ ‘Our rapid technological progress has deceived many into believing that we are at the pinnacle of human history. A smug self-satisfied view of ancient history pervades much of academia yet humanity’s lost past is truthfully overflowing with mystery. Shakespeare perceptively had Hamlet say: ‘There are more things in heaven and earth, Horatio, than are dreamt of in your philosophy.’ This is the spirit in which Gary Brown’s The Ultimate Conspiracy Guide comes to us. It is a cornucopia of ideas, theories, mysteries and alternative science: All I can say is ‘Enjoy!’ Rand Flem Ath - author of ‘When the Sky Fell’ and ‘The Atlantis Blueprint’ (with Colin Wilson).
