Watching My Boss Dominate My Husband (My Husband's First Gay Experience) Scarlett Meadow

I wanted the promotion. My boss wanted my husband

My boss stood by the window, naked, shadows dancing across his body in the moonlight, and he looked at my husband expectantly.

My husband isn't exactly white collar. At all. He's a blue collar worker born and bred. It's everything I can do just to get him to dress up for my company party tonight. You see, I'm up for a promotion, and I need to impress my boss, show him I am able to handle the promotion.

At the party, it becomes clear that my boss is more interested in my husband than anything else. He invites us back to his office where he regales us about his time in Japan and proceeds to show us a secret that he has kept hidden for years. Now he wants my husband, and I can't wait to watch.
