Coach: Coach Student Experience, Gay Contemporary Romance, First Gay Steps (Older and Younger) James Benedict Noble
The training regime for the elite wrestlers in my university's wrestling team was known as Coach Hazard's Finishing School. I had worked hard for three years to make this squad team for two reasons: this was the best of the best in wrestling in our regional division and I had the hots for Coach Hazard, who was handsome in a rugged Marine way, was solid muscle, and had the biggest **** I'd ever seen. Although now twenty, I still was pretty small everywhere but where it counted and was lithe and young looking, not at all like the big hulking wrestlers Coach Hazard surrounded himself with. Still, I was solidly in the light-weight division and had maintained an admirable win record my first three years at the university. ¨
Will I get his attention?
