Invisible Target: Breaking the Cycle of Educator Sexual Abuse Andrea Clemens
Invisible Target is a true, detailed account of one girl's experience of educator sexual abuse at the hands of her middle school teacher. It follows her journey, beginning with her tumultuous childhood, meeting the teacher, and the grooming process he created to lure her into a false sense of trust and ultimate betrayal. After years of abuse and manipulation, she finally found the courage to bravely break away from her abuser.

With excerpts from newspaper articles and an actual court impact statement, this book gives you a clear picture of how the epidemic of educator sexual abuse begins, progresses, and affects so many innocent lives.

Invisible Target is more than a memoir. With thought-provoking questions at the close of each chapter, this book serves as a strong educational tool for students, parents, teachers, and administrators by shedding light on the dynamics of educator sexual abuse so that school can be a safe haven for every child.

"I highly recommend that *Invisible Target* be read and discussed in every school community in the country."
—John M. Seryak, M.Ed.

"This book can help students identify predators, parents to support their children, and educators to prevent abuse."
—Charol Shakeshaft, Ph.D.

"Although the topic is obviously very disturbing and disheartening, Andrea's story is one of hope."
—Robert J. Shoop, Ph.D.

This Invisible Target: Breaking the Cycle of Educator Sexual Abuse is simple to create you can read it in the recreation area, in the beach, train along with soon. If you did not possess much space to bring typically the printed book, you can buy the e-book. It is make you better to read it. You can save often the book in your smart phone. Therefore there are a lot of benefits that you will get when you buy this book.

Marian Buell:

As a college student exactly feel bored to help reading. If their teacher inquired them to go to the library or to make summary for some guide, they are complained. Just small students that has reading's heart or real their leisure activity. They just do what the trainer want, like asked to the library. They go to at this time there but nothing reading very seriously. Any students feel that looking at is not important, boring as well as can't see colorful pictures on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this Invisible Target: Breaking the Cycle of Educator Sexual Abuse can make you really feel more interested to read.
