Ukraine: An Illustrated History

Paul Robert Magocsi

Ukraine: An Illustrated History Paul Robert Magocsi

Ukraine is Europe's second state and this lavishly illustrated volume provides a concise and easy to read historical survey of the country from earliest times to the present. Each of the book's forty-six chapters is framed by a historical map, which graphically depicts the key elements of the chronological period or theme addressed within. In addition, the entire text is accompanied by over 300 historic photographs, line drawings, portraits, and reproductions of books and art works, which bring the rich past of Ukraine to life.

Rather than limiting his study to an examination of the country's numerically largest population - ethnic Ukrainians - acclaimed scholar Paul Robert Magocsi emphasizes the multicultural nature of Ukraine throughout its history. While ethnic Ukrainians figure prominently, Magocsi also deals with all the other peoples who live or who have lived within the borders of present-day Ukraine: Russians, Poles, Jews, Crimean Tatars, Germans (including Mennonites), and Greeks, among others. This book is not only an indispensable resource for European area and Slavic studies specialists; it is sure to appeal to people interested in having easy access to information about political, economic, and cultural development in Ukraine.
